

Sustainability Checklist

As you answer these questions, think of how the group is doing now.

	Yes	Sometimes	No
Is there a match between what the community needs and what the group offers?			
Does the group have the support and active involvement of local partners?			
Does the group have a positive impact on participants and the community?			
Is the group regularly evaluated?			
Has the group changed based on the results of the evaluation?			
Is the group being promoted/advertised in the community?			
Are sufficient funds available to manage group costs?			
Does the group have access to the resources it needs?			

If you have answered **sometimes** or **no** to any of these questions, they might be areas where you may have challenges going forward.
